

Certified Nursing Assistant / Home Health Aide

CASTRO VALLEY ADULT and CAREER EDUCATION ■ CAREER TECHNICAL TRAINING

Health care needs YOU! Join the Nursing team of professionals in this growing and demanding occupation.

The CNA program provides 50 hours of classroom theory and 100 hours of supervised clinical training in an approved medical facility and 40 hours of classroom and clinical observation for CHHA. Students are prepared for successful employment and California State Certification.

STUDENTS WILL LEARN:

- Basic principles of nursing and patient care giving
- Development and application of nursing skills in long-term care and skilled nursing facilities
- Vital signs (temperature, pulse, respiration, blood pressure)
- Range of motion exercises
- Communication and interpersonal skills
- Skills and theory preparation for State CNA Certification Test

Meets CNA requirements for Registered Nursing programs
