

K-5 Summer Enrichment Program and Pre-Kindergarten

Summer 2010

March 2010

LOOK what's offered this year in Summer Enrichment!

- **NEW! Math and Science Experience**
- **CSI: Crime Scene Investigations**
- **Amazing Art Adventure**
- **Creative Side to Literacy**

VOYAGER: EXPANDED LEARNING - - -

- **Smithsonian T-Rex**
- **Pre-Med Community Hospital**
- **National Space Command**

- **CVUSD Pre-Kindergarten program**

SPECTRUM OF SCIENCE

- **Science Summer Camp**

What is Summer Enrichment?

The **Summer Enrichment program** is designed to provide expanded learning opportunities in a fun and fascinating way for K-5 students in the Castro Valley Unified School District.

Summer Enrichment can:

- ⇒ Spark an interest in science-related career fields
- ⇒ Raise academic performance levels
- ⇒ Reinforce language arts, reading, math and writing skills
- ⇒ Help students enjoy learning!
- ⇒ Prevent summer learning loss
- ⇒ Boost listening, comprehension and speaking skills
- ⇒ Make learning **FUN!**

Through the **Summer Enrichment Program**, **Castro Valley Adult and Career Education** offers **amazing** learning opportunities designed to **enhance**, **expand** and **support** the on-going education of our elementary age students.

The **2010 Summer Enrichment program** is a total of five weeks —

June 28-July 29, 2010
(no school 7/5)
Monday - Thursday
(no school on Fridays)
8:30 am-12:30 pm.

The **2010 Summer Enrichment program** promises to be **rewarding ~ fun ~ and educational!** A variety of **NEW** classes have been designed to provide creative learning appropriate for most elementary age students — Programs range from **Amazing Art and Art History, NEW! Math and Science Experience, Become a Super Science Sleuth with CSI, more Creative Side to Literacy classes, Pre-Med Community Hospital** and the ever popular **T-Rex dinosaurs.**

Make this summer a time of **LEARNING** and a summer of **FUN!**

REGISTER TODAY —

DON'T DELAY!

Class sizes limited for effective instruction!

How Do I Register for Summer Enrichment?

To **register** for a Summer Enrichment class, parents should complete and return:

- ✓ Summer Enrichment registration form
- ✓ Emergency card
- ✓ Payment (cash, check, VISA /Mastercard)

Register in person at:

Castro Valley Adult and Career Education
4430 Alma Avenue
Castro Valley, CA 94546

OR
by U.S. mail

OR
by telephone:
(510) 886-1000

OR

by fax:

(510) 537-8537

Registration WILL NOT be accepted at the school site OR on the first day of class

DEADLINE TO REGISTER
June 23, 2010

CHILDCARE: AdventureTime will provide after-school childcare on the Independent school site - **CALL 733-9134** - OR - 658-7412 to make arrangements.

Pre-Kindergarten Program #203403 / #203404 \$299 8:15 am-12:15 pm
Location: Independent Elementary School Pre-K Monday-Thursday
Kindergarten is a significant step on the path of education. The Pre-K program is a GREAT program to prepare children to enter Kindergarten in September 2010! Call Castro Valley Adult and Career Education for an informational flyer and to register (510) 886-1000 (No school July 5)

Creative Side to Literacy \$369 8:30 am-12:30 pm
Location: Independent Elementary School #203800 Grades K, 1* Monday-Thursday
 #203801 Grades 2, 3*

Back by popular demand! Students will explore multicultural children's literature through art, drama and music. It is a creative process that will help students strengthen their reading, comprehension and writing skills in a fun and energetic way. This class will provide students the opportunity to express their understanding of the literature in their own unique style. (76 hours of instruction-No school July 5)

NEW! The Math and Science Experience! #230300 \$369 8:30 am-12:30 pm
Location: Independent Elementary School Grades 3, 4, 5* Monday-Thursday
 Come and enjoy the fun and excitement of learning math and science with Mr. Brazil. Students can look forward to working on various math concepts through the use of cooperative games and activities. We will explore science with hands-on labs, videos, text and fantastic field trips. Technology will be incorporated into both subject areas for activities, research and presentations. Students will create PowerPoint presentations that they will share with their classmates. Come and enjoy this wonderful experience, and much more! (76 hours of instruction-No school July 5)

National Space Command #211200 \$369 8:30 am-12:30 pm
Location: Independent Elementary School Grades 3, 4, 5* Monday-Thursday
 National Space Command takes students on a simulated trip to the International Space Station in low Earth orbit where they will observe our fragile planet from outer space. Students will conduct experiments and study scientific aspects of life in our galaxy. (76 hours of instruction-No school July 5)

Smithsonian T-Rex #211300 \$369 8:30 am-12:30 pm
Location: Independent Elementary School Grades K, 1, 2* Monday-Thursday
 Students take an incredible adventure to the Mesozoic Era reinforcing skills in language and creative arts, and math while capturing their imaginations as they unravel the mysteries of an age when dinosaurs ruled the world. (76 hours of instruction-No school July 5)

Pre-Med Community Hospital #211000 \$369 8:30 am-12:30 pm
Location: Independent Elementary School Grades K, 1, 2* Monday-Thursday
 Students will work as a team to assist simulated hospital staff while they learn more about the medical field - - how their vital organ systems work together, how their senses work as windows to the brain, how to maintain good health and how to handle minor emergency situations. (76 hours of instruction-No school July 5)

Amazing Art Adventure #230200 \$369 8:30 am-12:30 pm
Location: Independent Elementary School Grades 3, 4, 5* Monday-Thursday
 Students will explore and experience the world of art by learning different genres (style, subject, and matter), artists, and techniques. Students will also learn how art periods are connected through hands-on creation of their own art in numerous styles. Creating art projects and writing is used to support learning and engage students. (76 hours of instruction-No school July 5)

Become a Super Science Sleuth with CSI: Crime Scene Investigations #230600 \$369
Location: Independent Elementary School Grades 3, 4, 5* Monday-Thursday 8:30 am-12:30 pm
Back by popular demand! Search for evidence, gather clues, and discover how science can help solve a mystery. From dusting for fingerprints to analyzing handwriting, get a first hand look at how detectives and Forensic Scientists use science to solve real-life crimes. Make a plaster cast of a shoe. Identify lip prints left on a glass. Examine hair and clothing fibers. Practice chemistry to identify mystery substances, and much more. In no time at all, your child will be thinking like a detective and performing experiments like a Forensic Scientist! (76 hours of instruction-No school July 5)

SPECTRUM OF SCIENCE (a private entity not affiliated with the Castro Valley Unified School District)

Science Returns - No Boundaries! \$510 (fee includes instruction, supplies and science projects)
Location: Independent Elementary School Grades 1-5* Monday-Thursday 8:30 am-12:30 pm
 Spin and spiral around the solar system! See the celestial universe! Who has orange teeth? Bubbles, fizzing, gooey chemistry and more to be discovered! Check out dinosaur differences and behavior! Shark surveillance for those fascinated with sleek streamlined creatures! Test the pulling power of amazing cephalopods! **This is a 5-week camp; registration will be accepted on a week by week basis, call 925.820.2415 for specifics.**

Check the **Spectrum of Science** website for complete descriptions: www.spectrumofscience.com

* **IMPORTANT NOTE:** *Grade level reflects the grade student will be **completing** as of June 2010
